Cultivation Manager

At the direction of the Director of Cannabis Operations for Northern Light Cannabis Company, the Cultivation Manager will oversee all operations of the cannabis grow facility, creating cultivation plans, resolving plant issues, supervising grow personnel, and managing the grow budget to ensure that our goals are met. The Cultivation Manager must have excellent knowledge of the cannabis plant and the ability to identify and respond to any issues that arise during production or cultivation on a daily basis.

ESSENTIAL FUNCTIONS:
1. Developing standard operating procedures that detail feeding schedules, cleaning, defoliation, harvest, trimming, and curing.
2. Supervise activities of the grow team in conjunction with the Director of Cannabis Operations and General Manager of Bay Mills Business Holdings.
3. Overseeing the daily operations of a cannabis grow, including the planting, cultivating, feeding, defoliation, trimming, and harvesting of crops.
4. Developing and implement a cultivation plan including an IPM Program to eliminate PM aphids, mites, Thips, fungus, gnats, molds etc and high yield nutrient management program.
5. Train and assigning duties to grow personnel.
6. Organizing the germination, transplanting and cloning processes of plants.
7. Ensuring that the cannabis plant's growth and scheduling requirements, such as lighting, rotation, soil PH, and nutrients, are consistently met.
8. Responsible for the genetics programs, including the development of a unique Bay Mills Northern Light Cannabis Company brand strains.
9. Managing the inventory and equipment for the grow operation, including the programming and monitoring the computerized climate control system.
10. Identifying and resolving potential threats to crop yields, such as pests.
11. Managing the grow's budget to ensure production targets are met while managing purchases of growing supplies and maintaining adequate inventory.
12. Breeding new cannabis plant cultivars according to the grow's specifications.
13. Responsible for keeping current on new industry techniques and tools for best practices.
14. Ensuring the grow complies with tribal cannabis regulations and cultivation procedures.
15. Keeping up to date with Northern Light Cannabis Company policies and procedures at the direction of the
    Marijuana Commission.
16. Responsible for learning and following daily policies and procedures for the Bay Mills Business Holdings and the department.
17. Must attend all mandatory trainings designated by the Human Resources Department and/or General Manager.
18. Other duties may be assigned within the scope and complexity of this position’s essential functions.

**PHYSICAL REQUIREMENTS:**
While performing the duties of this job, the employee is regularly required to walk and stand with occasional sitting.
